Re: FOIL Request #2413

Dear Mr. Knox:

The Executive Chamber acknowledges receipt of your FOIL request dated February 7, 2019, seeking:

A copy of all files relating to New York's bid to host Amazon's second headquarters in Long Island City from 2015-present, both before and after successfully receiving the bid. I am looking for any correspondences between agency/office employees and Amazon employees regarding the bid; any internal correspondences about the bid; any communications with constituents regarding the second headquarters; any memos, correspondences or other documentation of the stipulations or concessions associated with hosting the second headquarters; and any other files that might be related to Amazon's second headquarters and the state's offer to host it.

We are conducting a search for records that respond to your request and, if applicable, will review them for appropriate exemptions under FOIL. We will provide you with a status update on or before March 18, 2019.

If any documents are located that respond to your request, you will be charged \$.25 per page for photocopies. If the response to your request will be provided in another media, we will notify you of any charges.

Very truly yours,

A handwritten signature in black ink, appearing to read "Valerie Lubanko". The signature is fluid and cursive, with the first name "Valerie" and last name "Lubanko" clearly distinguishable.
